

BEYOND ARCHITECTURE CAMPAIGN

American Institute of Architecture Students
50 Years of Leadership: Connecting. Integrating. Uniting.

BEYOND ARCHITECTURE CAMPAIGN

Who We Are

- **Largest independent, student-run membership** based organization with **almost 7,800 students** in accredited and non-accredited design-based programs as well as members participating at the community college and high school level.
- **140 chapters** worldwide in the US, its territories, Canada and Mexico and abroad...but our reach goes far beyond the chapters.
- **Serve as the voice** of a diverse student body to the educational system and profession; focusing on advocacy, community volunteerism and leadership development in the field of architecture and design and beyond
- Celebrating **50 years** of helping shape architectural education and the future practice environment, connecting over **100,000 students and professionals** worldwide since the 1950's.

Emerging Leaders Initiatives

Annual FORUM and Grassroots Leadership Conferences:

- Attract 1000+ students, educators and professionals.
- Address critical skill development, competencies and practice.
- Empower and inspire architecture students to take lifelong, active roles in their education, in their profession and in their communities.

**BEYOND
ARCHITECTURE
CAMPAIGN**

TM

Freedom by Design

Promotes students and architects as servants to the community.

Empowers architecture students to radically impact the lives of low-income and disabled individuals through design-build solutions.

BEYOND ARCHITECTURE CAMPAIGN

Our Mission

- To promote excellence in architectural education, training and practice.
- To foster an appreciation of architecture and related disciplines.
- To enrich communities through a spirit of collaboration.
- To organize students and combine their efforts to advance the art and science of architecture.

**BEYOND
ARCHITECTURE
CAMPAIGN**

Technology Courses

- High-volume flash (HVF) concrete
- Rammed earth
- Strawbale construction
- Cobb construction
- Engineered lumber
- Steel
- Concrete
- Masonry
- Wood
- Energy recovery ventilators
- Geothermal heat pumps

Included Plastics/Composites

- Polyvinyl chloride (PVC) plumbing
- Orange PVC
- House wrap
- Wall drainage systems in foundations
- Green roof components (root barriers, roofing membranes, etc.)
- Roof membrane
- Linoleum flooring
- Polymer modified cementitious materials (EIFS)
- Vinyl windows
- Gaskets
- Sealants
- Baltix furniture and panels
- Plastic spacers and shims
- Polystyrene insulation
- Polycarbonate cladding
- Structural insulated panels
- Fiberglass structural systems
- Plastic wood composites
- Resilient flooring

**BEYOND
ARCHITECTURE
CAMPAIGN**

Opportunities

- Organize a Committee of Educators
- Develop Teaching Aides
- Establish Relationships
- Partner with Student and Professional Societies
- Creative Integration
- Build Brand Loyalty
